MANNHEIM²

WELCOME!

STADT MANNHEIM²

Centrally located in Europe

Situated in the intersection point of traffic routes:
By water | by land | in the air

- Main railway junction for the ICE high-speed trains, North-South / Paris-Warsaw
- Second-largest freight yard of Germany

Port city

Second-largest inland port of Germany
with roll-on/roll-off facilities | container terminals

Economic metropolis

894.716 employees within the Metropolitan Region,
180.236 of them in Mannheim | 53,3 per cent export ratio

Mannheim, the home town of the bicycle | the automobile | the tractor | the airship – still “productive“ today!
