

## CONFLICT MANAGEMENT AND CULTURALLY-AWARE COMMUNICATION IN ADMINISTRATIVE ROLES

### Strategies for being understood and understanding others

#### Zielgruppe

This two-day workshop is designed for individuals working in administrative roles with frequent customer interaction.

#### Einführung

In the workshop, you will practice effective communication strategies such as listening skills, clear messaging, and adapting to cultural differences. You will engage in interactive activities to practice these techniques and you will acquire essential conflict management skills to resolve conflicts with clients or colleagues.

We will explore cultural barriers as well as ways to overcome them through effective communication and cultural awareness. You will work through realistic scenarios and receive peer and facilitator feedback. After the workshop, you will feel more confident of your abilities and better equipped to navigate diverse cultures in your administrative roles.
